

EOS/EOL Notice

Effective **Dec 18th, 2023** the following products and modules will begin the End of Sales (EOS) process and are being moved to the spares section of the worldwide price list. The EOS process extends to **Feb 18th, 2024**. After **Feb 18th, 2024** products and modules in the EOS process will no longer be orderable and the End of Life (EOL) process will begin. They will be removed from the spares section of the worldwide price list.

The following products are affected by this EOS notification. A substitute product can be used depending on the requirements.

EOL Model	Replacement Model	Reason
ECS4100-12PH	ECS2100-10P or ECS4125-10P	Component EOL, Replacement
ECS4620-52P	ECS4650-54P	Replacement

Edgecore continues to strive to provide and EOS notice several months before the EOL notification. Those part numbers placed into the certified spare parts section of the price list can be ordered subject to the dates specified above. Please note that availability of EOS products cannot be guaranteed. Appropriate forecasts are required. Bundles and upgrades that have been discontinued cannot be ordered any longer.
