

Product Announcement

End-of-Life of the Edgecore EAP100 Wireless Access Point

This notice serves as a formal communication of Edgecore's intent to discontinue the Edgecore EAP100 (and its relative accessories).

This product is being discontinued due to market demand and shifts in technology. To facilitate transition in the End-of-Life process, below are some key dates to acknowledge:

Milestone	Definition	Date
End-of-Life (EOL) Announcement	The date the document announces the end of sale and end of life of a product is distributed to the general public.	Oct 1 2023
End of Sale (EOS)	The last date to order the product. The product is no longer for sale after this date.	Dec 31 2023
End of Software Maintenance (EOSM)	The last date that the Edgecore Engineering Team may release any final software maintenance releases or bug fixes. After this date, the Edgecore Team will no longer develop, maintain, or test the product software.	Oct 1 2024
End of Hardware Maintenance (EOHM)	The last possible date a failure analysis may be performed to determine hardware failure or defect.	Oct 1 2026

** The final date will depend on the continued availability of stock and, at Edgecore's discretion, the actual end of sale date may be earlier.*

Thank you for your loyalty and support. Edgecore will attempt to give as much notice as possible in the event the last order date is changed.

For questions about replacement product or additional questions about the EOL policy, please contact sales@edge-core.com.
